

Euro Pearls – Visit booth # 705 (Hall 7)

Euro Pearls established in 1973 are one of the largest pearl companies in the world. Specialising in highest quality pearls, finest lustres, most unusual colours and exceptional sizes.

We search the world attending all pearl auctions and visiting many pearl farms to secure the best available pearls at the best possible price.

Euro Pearls produce and design several collections, under different brand names, using the best European designers and the finest materials.

Yoko is the most exclusive brand supplied by Euro Pearls

Yoko only uses the highest quality AAA and AA pearls for their jewellery.

The designs are spectacular and rich.

The diamonds are all VS

The style is unique and elegant, timeless and modern.

Yoko designs are mostly hand made and one of a kind.

Yoko designs adorn many members of royal families and the elite.

Each individual pearl is unique, Yoko designers bring out the best from each pearl.

Yoko pearls are covered by international guarantee.

Yoko by Euro Pearls are available for the first time in the Middle East.

With the opening up of the Middle Eastern market and the desire of the population

For fine European designs and love of pearls and luxury

This is a perfect combination for the market.

Over the last couple of years there is an increasing demand from the top individuals

Within the Middle Eastern market for Yoko Jewellery.

Euro Pearls participates in 16 international shows

Including Basle, Las Vegas, Hong Kong, Vicenza, Singapore, Dubai, and now for the first time Mumbai.
