

“Pearl Lounge” Seminar Agenda – Hall 7 10-13th November

Consumer Focused: Gemological Institute of America Presenter

Seminars are informative and fun. Learn how to grade diamonds using the 4 Cs, understand the GIA new cut grade system, how to look after your Jewellery and keep it safe and so much more from our experienced GIA Instructor Mr. Mohit Agarwal.

Our distinguished speaker is a Graduate of Diamond and AJP from GIA, he has done his gemology training at IDI, Surat. In his 8 years' experience in gems and Jewellery industry, Mohit has played various roles including entrepreneur, Diamond wholesaler, selling diamonds of leading sight-holder in North India. Contribution to this ever dynamic industry, has brought Mohit to join GIA India Education team as instructor.

This is a unique and free opportunity to acquire skills on grading and better understand the beautiful art of Jewellery.
