The aim of The Dubai Jewellery Design Awards is to enrich the industry further through promoting, developing and recognising industry innovators and achievers from the U.A.E and beyond, and offering recognition for artists who deserve greater attention on an international level. A high profile panel of esteemed judges will review all entries and decide the most deserving winners from each category.

The programme is further enhanced in 2011 with new categories for professional designers and jewellery companies. Prizes for winners and runners up will be presented at a special event on 10 November 2011 during the annual Dubai International Jewellery Show.
